

Vår kära vän

Lollo

* 14/10 1974

har lämnat oss
alldeles för tidigt.
Vi saknar dig så mycket.

When the night has been too lonely
and the road has been too long
and you think that love is only
for the lucky and the strong.
Just remember in the winter
far beneath the bitter snows
lies the seed that with the sun's love
in the spring becomes the rose.

Bette Midler
