Ett år av oändlig saknad av vår

If tears could build a stairway
And memories where a lane
We would walk right up to heaven
And bring you back again

Our hearts still ache in sadness
And secret tears still flow
What it meant to lose you
No one will ever know

But now we know you want us
To mourn for you no more
To remember all the happy times
Life still has much in store

Since you´ll never be forgotten
We pledge to you today
A hallowed place within our hearts
Is where you´ll always stay
