

# Eva Romeling

Sometimes in life, a special friend will come, Eva came to me twenty years ago, she changed my life with her sweetness, kindness and intelligence. She had grown to be my confidant, my sister, and my family. There are not enough words to describe my dear friend, there are not enough words to discribe our friendship. Lovely memories is what I have, ske will always be in my heart. She is not with us anymore, but in a very special place she is.

Eva was an extraordinary person.

With love from the bottom om my heart.
