

Vår Medarbetare

Sonja Christensson

har lämnat oss i stor sorg och saknad.

Göteborg 5 december 2009

Arbetskamraterna
Nordiska högskolan för folkhälsovetenskap

But above and beyond there´s still one name left over,
And that is the name that you never will guess;
The name that no human research can discover
– But THE CAT HIMSELF KNOWS,
and will never confess.

T.S. Eliot
